Pastor's Thoughts

It is unreal that we are now ready for August; maybe ready is the wrong word. We simply know it is almost August and fall will begin soon. There are still lots of activities we want to do before school starts. Many will go to the county or state fair; others will go on some last-minute vacations, and some will finish projects before the end of summer. We will be taking Jamison back to college one last time for her senior year.

August is also a month to get ready for fall activities here at church. We will be planning for TUF Team and Bible Study. We also need a choir director for Humeston. LeRoy will be getting ready for Harvest Festival. We all will be helping with school supplies and needs of the kids in our communities. We are willing to do what is needed so our kids are able to learn and feel good about what they have in this world.

It will be great to see what we do this fall. But we need to remember there is much to do now. We need to study the scriptures so we understand God's word. We need to be worshipping together to keep us close to others who are sharing God's word.

Stay safe and give love to those around you. Help us help you as we prepare for fall.

Pastor Donna
