Pastor's Thoughts

This month will bring one the most holy times of our church calendar. We will be proclaiming the risen Savior once again. This is so powerful in our own lives, but it is also very powerful in the world. We are called to spread the news that Jesus is risen and loves all of God's creation. This is the powerful message we are to share with the world around us.

This is a perfect opportunity to look for people we want to bring closer to God. Who are those around us who could worship with us? Invite them to church!! We are the body of Christ trying to win the world over for him. There are battles in the world and in our lives, but worship is a time to feel the love of our Savior, the peace of the Spirit, and the compassion of other worshippers.

There is a list of all the services for Holy Week elsewhere in this newsletter. Please feel free to show them to others and invite them to participate. Everyone is invited. Spring is a time to open our lives up to the world around us, and there is no better time to invite someone to church.
