Dear Ones of United Trinity Parish,

Truth: Not until I was in my 20's, did I find out that Lent—which corresponds with the 40 days Jesus spent in the wilderness suffering and pondering his calling as Messiah--can be important for Christians to observe as their own time of prayer, fasting, and self-reflection leading up to Easter. The idea was to suffer a bit during that time. No, not live in the Judean desert as Jesus did, but to take something "good" from normal life. Jesus was not eating, so a preferred food might be eliminated, such as chocolate or pop. (An uncomfortable, though healthy, move, right?). But in my seminary classes, professors suggested that adding anything positive to life instead of subtracting something during Lent might be more productive to spiritual growth.

With that idea in mind, this Lenten season, we can ADD something potentially useful for all of us! Based on Rachel Eernisse's book *Speaking Scripture*, four scripture memorization sessions are scheduled for February and March--the first, February 11. We have the opportunity to learn (small or large) passages of scripture in a fun way. The hour-long sessions will motivate us to work our brain cells as we travel with Jesus on our own Lenten journeys!

Lent begins February 18 with the Ash Wednesday service. A Shrove Tuesday meal will be served February 17. Reach out to me if you'd like to help serve or cook for the meal. Let us all have a good Lent!

It was so impressive when Travis Boyce recited the book of James for us in November. Now is your chance to memorize Scripture, but not an entire book, unless you are up to the challenge. Classes will be held at
