Pastor's Thoughts

"Let the games begin." Fall has started. School has started, and football, volleyball and other fall sports have started. We seem to have a new beginning in the fall. It is kind of nice to start over. We are looking at a new beginning for our community and church. We have started this fall off with the "Walk for Alzheimer's and Dementia" I am not sure how much was raised, but we did it. It is a new beginning for us as a church to help with research and praying for a cure.

We will be starting TUF Team in September for grades 4, 5 and 6. I am excited to see the kids we had last year as well as a new group of kids. It is great to share the message of Jesus Christ with them and help them to understand that we are to give because God has given to us. There is a sign-up sheet in the entry for TUF Team treats.

"In the beginning, God" signals a new start to something great. As we have read in Genesis 1, there is so much ahead of us. We need to look forward with the message of Christ and the joy of being able to do what we are called to do in this world. May we share in a new beginning with prayer and rejoicing to our Savior and Redeemer.

Pastor Donna
