Pastor's Thoughts

We have been going through the bathroom to get rid of things we don't need anymore. It is a job, but we are trying to make it fun. We are throwing away stuff that has expired, and the oldest expiration date we have found is 1996. I am guessing it is time to let them go. Sometimes we also hold on to the hurts and pain from others or guilt when we have done wrong. Life is better if we let them go, too. It isn't good for our faith or our health to let these feelings fester in our hearts. Accept apologies or give apologies to make your life better.

We will soon be celebrating Humeston Watermelon Days. Our Parish is in charge of the Sunday worship. The Haring Sisters will be bringing music for us. We will need a couple of ushers to help collect the offering, which will help pay for their expenses. Please let me know if you want to help. I would like to have someone from the Humeston church and someone from the LeRoy church, and we will have another person from the Baptist church to help count the money. We are praying the weather cooperates so the service is in the park this year. I tend to enjoy the commute.

I will be taking three vacation days the Tuesday through Thursday before Watermelon Day, July 12-14. It is just a little time away. With everyone in the family working, it is difficult to find time to be together.

All of our lives are busy, and we want to do what we can to show our love for our Lord and our families. Enjoy this month, and remember, we can grow and learn more about our God through our Lord Jesus Christ.

Pastor Donna
