September 2023

Pastor's Thoughts

By the time you receive this newsletter I will be waking up to the school bus passing my house once again. Soon it will begin to look like fall. We will bring in the summer décor and look for the fall items to put out. When Jamison and I were in a store the other day, we noticed that Halloween decorations are already out.

We look forward to fall. For many people, it is their favorite season of the year. It is also our time to start things back up here at church. We will be starting TUF Team, Youth Group and Bible Study in September. We will be getting ready for Harvest Festival. There are so many things to be looking forward to in the fall. Everyone is invited to join in all the fun.

We are always looking for new ways to serve God in our community and world. If there is something you would like to see us try, let me know. We are eager to try things for the church and community that keep the message of God's love and hope going out into the world. Remember to watch for sign-up sheets and announcement of fall activities.

Pastor Donna
