November 2026

Dear Ones of United Trinity Parish,

Jesus once told his disciples, "…Let's go off by ourselves to a quiet place and rest awhile." He said this because there were so many people coming and going that Jesus and his apostles didn't even have time to eat. So they left by boat for a quiet place, where they could be alone." (Mark 6: 31b-32) If you know me by now, you know that I take Jesus very seriously. He is the Final Word on everything!

Mike and I needed the quiet place of Nine Eagles State Park last week. It was a wonderful getaway with perfect weather. The entire 1,200 acres of park and lake was ours nearly the whole four days. In Mike's fishing boat, together we caught and released about 65 fish: blue gill, crappies, red ear (sunfish), largemouth bass. (Relaxing for us, though likely stressful for the fish.) We saw ospreys, herons, kingfishers, juncos, vultures, and gray squirrels. We visited Lamoni (where I used to teach) to see a friend and her new kitten. We hiked around 15 miles of trails and road. When Asian beetles literally invaded the cabin, time to leave anyway!

Even retired people need breaks from daily activities, and I hope you get one. Jesus cares how we're doing, about our souls, our physical well-being, our fatigue. He wants us well, rested, and refreshed. Like Jesus invited his disciples to "Come away with me," he wants us all renewed. I pray you find refreshment in November!

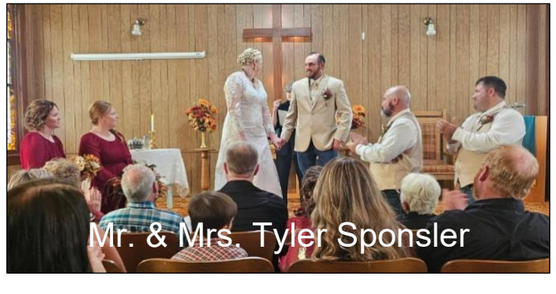

Shalom
Pastor Diane
